Field Agents Newsletter Notes

Have you ever heard the expression “lazy days of summer?” While the hot weather may encourage a slower paced life, in many ways summer can be the busiest time of the year. Especially for parents with school-aged children. **And being busy, it's easy to forget** about such things as reviewing your life insurance coverage.

The purpose of this column is to encourage you to meet with me before the end of the summer. *Whether or not you have life insurance with the Order*, I'll be happy to meet with you and *make sure* your coverage continues to meet your needs and goals. If you've **had any life changes** since you *last bought a policy* (new home, new child, new job, etc.), chances are your life insurance **needs to be updated**. I'll work with you to make sure you have the coverage you need at a price you can afford.

When we meet, you'll discover that the time we spend together will be time well-spent. Let's get together soon. Because summer is not only busy, it's also coming to an end.

I'm at 501-204-9486. Call me – let's talk.
